Dear Colleague,

you are invited to plan your participation in the International Conference on Innovation in Medicine and Healthcare (InMed 2014). Innovation in Medicine & Healthcare is a conference covering innovative approaches to meeting the needs of both practitioners and patients internationally. We are planning to carry out a special session on Medical decision-support systems.

### **Details of Session:**

Original research papers (including significant work-in-progress) in any aspect of Medical Decision-Support Systems are invited. Papers should address theoretical and practical aspects of progress in this area as well as new directions in research. Topics of interest include, but are not limited to the following:

- Diagnostic technologies for medical decision support
- Knowledge discovery in biomedical databases for decision support
- Knowledge management
- Medical knowledge acquisition and representation methods
- Formalization of knowledge, ontologies, clinical guidelines and standards of health care
- Intelligent interoperability and telemedicine
- Data and knowledge management for decision support in medical disciplines
- eHealth decision support systems for GPs, clinicians, nurses, health care managers and patients
- Education and training for decision support
- Evaluation of decision support systems
- Diagnostic, therapeutic and prognostic decision support

### **Important dates:**

- \* Submission of papers: ~~April 4, 2014~~ **EXTENDED April 18, 2014**
- \* Notification of paper acceptance: May 2, 2014 **EXTENDED May 16, 2014**
- \* Conference: July 9-11, 2014

## **Instructions for Authors:**

<http://inmed14.innovationkt.org/submission.php>

We kindly invite you to mark the conference date in your calendar, and inform other colleagues who might be interested in contributing and attending the conference.

We thank you for your cooperation and look forward to welcoming you in San Sebastian in July 2014.

Kind regards,

--
